

GET GREAT CUSTOMIZED P.O.S. MATERIALS IN 72 HOURS WITH THE iEXTEND™ SYSTEM FROM IMARLIN.

Offer consistent P.O.S. materials in a click while you retain control of the quality and content. Give your sales force nearly instantaneous, customized product literature delivered to their door. The iExtend system makes it possible.

With the iExtend system, your people build great materials from visuals and words you approve, and the printing and delivery is handled with a mouse click.

Instead of waiting weeks for table tents, counter cards or sell sheets, you receive great P.O.S. in 72 hours. Instead of storing piles of sales literature, you can have zero inventory. Here's a competitive advantage that can help get your products to market faster while you protect the quality of your brand. P.O.S. itively amazing. For more information, call 417-887-7446 ext. 18 or email info@imarlin.com.
